Submission Correcting Entity Status Pursuant To 37 CFR § 1.32(c)

Sir:

Applicant is no longer qualified to claim small entity status. The undersigned further submits that it has been discovered that through inadvertent error the Office was not notified of a loss of entitlement to small entity status and that small entity status was erroneously asserted when an Extension of Time was filed on July 23, 2007.

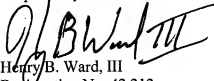

In accordance with the requirements of 37 CFR § 1.32(c)(2)(ii), Applicant submits the following itemization: The Extension of Time was for a one (1) month extension and, thus, a small entity fee for a one (1) month extension of time in the amount of \$60.00 was paid. The current one (1) month extension of time fee for a large entity is \$120. Thus, the deficiency owed is \$60.00 (*i.e.*, the current large entity fee for a one (1) month extension of time (\$120.00) less the amount actually paid by Applicant (\$60.00) when filing the Extension of Time on July 23, 2007).

In accordance with the requirements of 37 CFR § 1.32(c)(2)(i), Applicant submits payment for the deficiency of \$60.00.

CONCLUSION

Applicant submits that the requirements of 37 CFR § 1.32(c)(1) and (2) have been satisfied and requests that the Office accept the above-referenced deficiency payment.

Respectfully submitted,
